DC Meeting on Bill Shock and the FCC

Dear Jim Cicconi,

I will be in D.C. November 15th through 16th in part to discuss various FCC matters, including the pending rulemaking on Bill Shock. I am also enclosing for you our preliminary filing on this matter.

I would like to meet with you personally to discuss how Randall Stephenson's highest standards are embodied in a voluntary industry – wide solution that avoids the heavy hand of the FCC. I would also like to discuss with you the survey our chamber is considering embarking upon to further enlighten the FCC on this matter. For example, we doubt that a fair representative percentage of Latinos are among the 764 consumer complaints referred to by Genochowski and examined by his staff.

Sincerely,

Jorge C. Corralejo
